Saturday	East Don Parklands in Winter walk
January 6	Leader: Zunaid Khan
10:00 am	Meeting point: Northwest corner of Sheppard Avenue and Leslie Street.
	Walk Details: A 3 hour, 6 km circular walk along mostly flat, paved surfaces with gentle and steep slopes.
	Walk Description: From the meeting point at the northwest corner of Sheppard Avenue and Leslie Street we will walk north of Leslie Street to access the trail leading into the East Don Parklands as the trail access at Sheppard & Leslie is closed due construction. Please note the trail we will be accessing has a very slope down at the beginning. We will follow the Don River through the East Don Parklands and explore all that nature has to offer. We will proceed towards Finch Avenue then crossing under Finch and follow the trail to where it connects to the Finch recreational trail before following the back towards our starting point.
	There are multiple points along the way where members will be able to exit to route to access transit or other trail systems if they wish. Please dress for the weather conditions. Wear sturdy shoes or boots with a good grip as the trails are not cleared in the winter. Bring grippers or crampons in case of icy conditions. Washrooms: Not available.
	What participants should bring: Snacks, drinks, binoculars, camera.
	TTC info: Line 4 to Leslie station, exit station and walk to meeting point.
	Parking: The East Don Parklands parking lot is closed due to construction. Parking available at the TTC station and off Sheppard west of Leslie where the Ikea and Canadian Tire stores are located.

Tuesday January 9	Earl Bales Park and Don Valley Golf Course - Public Walk
1:00 PM	Leader: Zunaid Khan
	Meeting point: In front of the Earl Bales community centre, 4169 Bathurst St. North York, ON M3H 3P7
	Walk Details: A 2.5 hour 4 km circular walk over mostly paved and even surfaces with some steep and gentle slopes.
	Walk Description: We will explore what nature has to offer and discuss the issues facing our green spaces, how we can get involved as well as the proposed permanent trail connections between Earl Bales park and York Mills station via the golf course. We will follow the trail from behind the community centre down towards the Don River, please note this is a steep trail which leads down to the dog park. We will then head south towards the stormwater ponds where we will enter the Don Valley golf course. We will then do a short loop through the golf course before returning to the park via a trail on the south end of the large pond that the golf course shares with the park. At this point we will have the option of following the into a ravine which we can take up towards the Bathurst street side of the park then back towards the community or we can follow a trail around the ponds towards Don River Blvd & Sheppard Avenue and back to the meeting point. Dress for the weather conditions. Not all of the trails in the park and the golf course are maintained in the winter, so please wear sturdy shoes or boots with good traction and consider bringing ice grippers in the event of icy or snowy conditions.
	Washrooms: At the beginning.
	What participants should bring: Snacks, drinks, binoculars, camera.
	TTC info: Line 1 to Sheppard subway station then take 84 Sheppard West bus to Bathurst Street then walk south on the east side of Bathurst to the park and into the park to the meeting spot.
	Parking lots in the park near the community centre. Also one located off the Don River Blvd entrance to the park, if you decide to use this parking lot then you have the option of waiting for the group near the dog park.
